

ChronoNIO/AL/HH ACTIVITIES FOR WEEK OF 20-23 DECEMBER

NIO/AL participated with NIO/EA in the SIG on nuclear exports to the PRC--an exercise in which the precise wording of intelligence judgments contained in a recent NIE played an unusually important role.

NIO/AL and A/NIO/AL met with Ambassador-At-Large R. Kennedy and D/INR H. Montgomery to review the production program on nuclear topics. Discussion focused on revisions for the paper on the IAEA/Safeguards and on the results of recent US-Soviet bilateral discussions on nuclear nonproliferation (that will continue at a later date in Moscow).
